LRAPA Lane Regional Air Protection Agency

Annual Reporting Form: Concrete Production

Form AQGP-R09

1. Source Number: _____ **2. Reporting period: (calendar year):** _____

3. Company information:

Legal Name:	Other company name (if different than legal name):		
Mailing Address:	Site Address (if different than mailing address):		
City, State, Zip Code:	City:	County (required)	Zip Code:

4. Site Contact Person:

Name:	Telephone number:
Title:	Email/Fax Number:

5. Total amount of concrete produced in Lane County during the calendar year: _____ (cubic yards)

6. If any generators are used to power the plant, report the types and amount of fuel burned in the generator(s):

Fuel type (also specify units – 1000 gallons, cubic feet, and/or therms)	Annual Amount

8. If the plant operated in a PM_{10} nonattainment area, attach a separate page listing the following for all operation inside these areas: the dates and times of operation, annual concrete production, maximum daily concrete production, and annual and maximum daily fuel use in any generator(s).
Did the plant operate inside a PM_{10} nonattainment area? Yes☐ No☐

9. Locations where the ready-mix plant operated in Oregon (If necessary, attach a separate page):

Location (address or latitude and longitude)
1.
2.
3.
4.
5.
6.

10. Records of all planned and unplanned excess emissions: (If necessary, attach a separate page or write the information on the back of this form.)

Date	Time	Duration (hours)	Description of excess emissions	Corrective action

11. List any air quality/nuisance complaints received within the last calendar year? How were the complaints addressed? (If necessary, attach a separate page or write the information on the back of this form.)

Date	Time	Complaint	Response

12. List permanent changes made in plant process, production levels, and pollution control equipment that affected air contaminant emissions: (If necessary, attach a separate page or write the information on the back of this form.)

13. List major maintenance performed on pollution control equipment: (If necessary, attach a separate page or write the information on the back of this form.)

14. For portable plants powered by a generator, provide a statement describing compliance with the generator limitation of Condition 2.7:

15. By signing below, I hereby certify that I have personally examined and am familiar with the information submitted in this report and that the information contained in this report is true, accurate and complete to the best of my knowledge and belief.

Name of Responsible Official	**Title of Responsible Official**
Signature of Responsible Official	**Date**

SUBMISSION INSTRUCTIONS:
