- B. Staff Report
- C. Board Discussion

16. Adjournment of LRAPA Board Meeting (2:30 p.m.)

We endeavor to provide public accessibility to LRAPA services, programs, and activities for people with disabilities. People needing special accommodations to participate in LRAPA public hearings such as assistive listening devices or accessible formats such as large print, Braille, electronic documents, or audio tapes, should please contact the LRAPA office as soon as possible, but preferably at least 72 hours in advance. For people requiring language interpretation services, including qualified ASL interpretation, please contact the LRAPA office as soon as possible, but preferably at least 5 business days in advance so that LRAPA can provide the most comprehensive interpretation services available. Please contact the LRAPA Nondiscrimination Coordinator at accessibility@lrapa.org or by calling the LRAPA office at 541-736-1056.

Nos esforzamos por proporcionar accesibilidad pública a los servicios, programas y actividades de LRAPA para personas con discapacidades. Las personas que necesiten adaptaciones especiales, como dispositivos de asistencia auditiva, formatos accesibles como letra grande, Braille, documentos electrónicos o cintas de audio, deben comunicarse con la oficina de LRAPA con al menos 72 horas de anticipación. Para las personas que requieren servicios de interpretación de idiomas, incluyendo la interpretación calificada de ASL, comuníquese con la oficina de LRAPA al menos con 5 días laborables de anticipación para que LRAPA pueda proporcionar los servicios de interpretación que sean lo más completos disponibles. Para todas las solicitudes, envíe un correo electrónico al Coordinador de Antidiscriminatoria de LRAPA a accessibility@Irapa.org o llame a la oficina de LRAPA al 541-736-1056.

LANE REGIONAL AIR PROTECTION AGENCY

To: Chair Howard Saxion, and LRAPA Board Members

From: Lori Kievith, Employee Resources & Operational Effectiveness Consultant

Date: November 14, 2024

Subject: Executive Director Six-Month Performance Review Summary

MEMORANDUM

INTRODUCTION

This memo summarizes board member feedback regarding Travis Knudsen's performance as Executive Director during his initial six-month probationary period (May 10, 2024 - November 10, 2024). We received input from six of the nine Board members. The evaluation covered four key areas: Financial Management, Operational Management, Regulatory Responsibilities, and Overall Performance.

FINANCIAL MANAGEMENT

Board members consistently noted improvements in financial transparency and controls. Several highlighted the positive impact of moving financial updates out of the consent calendar for more thorough discussion. The successful implementation of Caselle, though still in progress, was viewed as a significant step forward. One member noted the need for continued development of cost allocation processes.

- Outstanding: 3 members

Exceeds Expectations: 2 membersMeets Expectations: 1 member

Average Score: 4.33/5.0

OPERATIONAL MANAGEMENT

Board members particularly praised improvements in organizational culture and morale indicated in the staff survey. The office transition and successful recruitment efforts were highlighted as big achievements. Several members noted Mr. Knudsen's strong interpersonal skills and ability to build trust with the Board, staff and external stakeholders.

Outstanding: 4 membersExceeds Expectations: 2

Average Score: 4.66/5.0

REGULATORY RESPONSIBLITIES

Board members acknowledged strong performance in maintaining regulatory compliance while expanding community engagement. Several noted Mr. Knudsen's effective approach to bringing technical staff expertise into board discussions and his commitment to environmental justice initiatives.

- Outstanding: 3 members

Exceeds Expectations: 2 membersMeets Expectations: 1 member

Average Score: 4.33/5.0

OVERALL PERFORMANCE ASSESSMENT

Board members consistently praised Mr. Knudsen's leadership during a challenging transition period. His ability to improve organizational culture while maintaining operational effectiveness was particularly noted. Multiple members applauded his commitment to professional growth and willingness to seek expertise when needed.

- Outstanding: 3 members

Exceeds Expectations: 2 membersMeets Expectations: 1 member

Average Score: 4.33/5.0

TOTAL SCORE ANALYSIS

Individual Board Member Totals:

- Member 1: 20/20

- Member 2: 14/20

- Member 3: 20/20

- Member 4: 17/20

- Member 5: 19/20

- Member 6: 17/20

Combined average across all categories: 17.83/20

CONCLUSION

The collective board feedback indicates strong performance across all evaluated areas, with strengths in organizational management and cultural improvement. Mr. Knudsen has demonstrated effective leadership during a significant transition period while maintaining focus on core agency responsibilities.

RECOMMENDATION

Based on the comprehensive feedback from board members and demonstrated performance across all evaluation categories, we recommend confirmation of Travis Knudsen as permanent Executive Director following this successful probationary period.

Respectfully submitted,

Lori Kievith

Employee Resources & Operational Effectiveness Consultant

| AGENDA | ACTION | | | | | | |
| REGULAR MEETING | | | | | | | |
| 1. Call to Order. | Chair Howard Saxion called the regular meeting to order at 12:15 p.m. | | | | | | |
| 2. Adjustments to the Agenda. | None. | | | | | | |
| 3. Public Participation | | | | | | | |
| A. Comments on an Item on Today's Agenda. | None. | | | | | | |
| B. Comments on a Topic Not Included on Today's Agenda. | None. | | | | | | |
| 4. Comments from Board Members. | Director Plummer commented that he would like to explore options to reschedule the Board meeting to a time more favorable for public participation. Chair Saxion noted that they would add it as an agenda item for the January work session. | | | | | | |

| 5. Recess Regular Board Meeting to enter Executive Session. | Chair Saxion recessed the regular Board meeting at 12:30 p.m. to go into executive session pursuant to ORS 192.660(2)(i), To review and evaluate the employment-related performance of the chief executive officer of any public body, a public officer, employee or staff member who does not request an open hearing. |
|---|---|
| 6. Reconvene Regular Board Meeting. | Chair Saxion reconvened the regular Board meeting at 12:50 p.m. |
| 7. Director's Contract Extension/Modification. | MOTION: Director Keating moved, and Director Cutchen seconded to extend the Executive Director's contract to May 26, 2025. The motion passed unanimously. |
| 8. Approval of Minutes for October 10, 2024. | MOTION: Director Hensley moved, and Director Johnston seconded to approve the October 10, 2024 Meeting Minutes. The motion passed unanimously. |
| 9. Approval of Financial Report. | Travis Knudsen, Executive Director, presented the September 2024 Financial Report to the Board. MOTION: Director Johnston moved, and Director Keating seconded to approve the September 2024 Financial Report. The motion passed unanimously. |
| 10. Audit Budget Update. | Mr. Knudsen noted that an extension had been filed and approved with the Secretary of State's Office to submit their audit by March 31, 2025. An extension was requested due to the implementation of a new financial system and a change in finance managers. Discussion followed. |
| 11. Citizens Advisory Committee. | Jim Daniels, Chair of the Citizens Advisory Committee (CAC), provided the Board with an overview of the October 2024 CAC meeting. |
| 12. Updates to Oregon Public Meetings Law. | Mr. Knudsen shared the following updates to the Oregon Public Meetings Law: |
| | Virtual Executive Sessions: Media must be given virtual access if anyone attends virtually. |
| | Mandatory Training - Board members must complete training once per term. |
| | Public Notices - Must be posted online with electronic access info and interpreter contact details. |

- Employment Sessions New requirements for discussing hiring/employment matters in executive session.
- Grievance Process New formal process with specific timelines for filing and responding to violations.

Director Johnston recommended reviewing Board member onboarding procedures to ensure new members complete the required training directly after election or appointment.

Director Keating commented about expanding the public notification process to increase public participation. **Mr. Knudsen** agreed there were opportunities for improvement and would evaluate potential strategies to enhance public outreach and engagement. **Chair Saxion** noted this topic would be addressed at the January work session.

13. FY 26 Partner Dues.

Mr. Knudsen reported on consideration of a new standardized approach to increasing partner dues, based on a City of Springfield proposal. Key points:

- Springfield proposes standardizing annual partner dues increases at 3.3%, based on property tax revenue growth.
- 2. LRAPA currently collects \$202,351 in total annual dues from partners (Eugene, Springfield, Cottage Grove, Oakridge, and Lane County).
- 3. The proposed 3.3% rate would provide predictability, transparency, and sustainable funding.
- 4. Springfield has committed to this rate for FY26, increasing their contribution to \$34,812.
- 5. The Board decision is needed in early 2025 to meet partner notification deadlines.

Director Keating inquired about the historical precedent for fee rate reductions. **Chair Saxion** recommended further discussion at the January work session, requesting additional information on the specific uses of local partner dues funds, potential impacts of fee reductions on federal matching funds, and effects on LRAPA programs and staffing levels.

| 14. Remodel Update. | Lance Giles, Technical Services Manager, provided an update on the office remodel project. He reported several project phases are complete, including demolition, framing, mechanical demolition, concrete work, floor underlayment, and plumbing rough-in. He shared that during construction, it was discovered that the roof had leaks and would need to be replaced. Discussion followed. |
|---|---|
| 15. Directors Report. | Mr. Knudsen presented the October Director's Report, which included air quality index data and statistics, complaint investigations, enforcement actions and civil penalties, ongoing enforcement cases, asbestos abatement notifications, permit issuances, and public outreach activities. He then introduced Rachelle Nicholas, who was recently hired as the new Administrative Manager. |
| 16. Adjournment of LRAPA Board Meeting. | Chair Saxion adjourned the LRAPA Board meeting at 1:10 p.m. |

(Minutes recorded by Heather Gravelle)

FOOTNOTES:

- 1. We are over budget by 13% in the General Fund. Key line items that were over budget are Legal Fees, Contract Services, & Capital Improvements.
- 2. Title V allocation for Facilities & Administrative (F&A) expenses were calculated for FY 2024 and \$84,458 was transferred to the General Fund.
- 3. AirMetrics was sold in February of 2024. The fund is balanced to Zero net Revenue, as the positive balance of \$13,607 was transferred to the General Fund.

LANE REGIONAL AIR PROTECTION AGENCY MEMORANDUM

To: Chair Howard Saxion, and LRAPA Board of Directors

From: Travis Knudsen, Executive Director

Date: November 14, 2024

Subject: Oregon Government Ethics Commission Administrative Rules Update

STAFF REPORT

ISSUE STATEMENT

The Oregon Government Ethics Commission (OGEC) has implemented updates to its administrative rules regarding Public Meetings Law compliance. These changes will affect some of LRAPA and the Board's operations and procedures, requiring review and implementation of new practices to ensure continued compliance with public meetings' requirements.

BACKGROUND INFORMATION

The OGEC has filed amendments to administrative rules for administering and enforcing Public Meetings Law. The changes provide clarification of existing requirements while establishing new procedures for public bodies to follow. These rules took effect following the public comment period, which ended September 3, 2024.

GOING FORWARD

The new administrative rules establish several key requirements, some of which will necessitate changes to LRAPA's current practices.

Virtual Executive Sessions

The rules now mandate that if any person attends an executive session virtually, media representatives must be given the same virtual access option. While LRAPA may implement reasonable security measures, this requirement could impact how the Board conducts executive sessions. Agency legal counsel advises limitations on virtual attendance for executive sessions to maintain appropriate confidentiality and security.

The League of Oregon Cities also recommends discouraging virtual attendance to executive sessions to avoid mandatory virtual media access requirements, which if followed, could impact Board flexibility in participation during executive sessions.

Training and Documentation

For agencies like LRAPA with annual expenditures exceeding \$1 million, Board members must now complete Public Meetings Law training once per term of office. This requirement includes maintaining training records and being prepared to certify completion upon request. The training must be either provided by or approved by the OGEC.

To facilitate compliance with these new training requirements, OGEC provides several training options:

- Monthly live webinars (60-90 minutes) covering Public Meetings Law and Executive Sessions
- On-demand courses through Workday Learning for flexible scheduling
- Customized training sessions available upon request, either in-person or virtual
- Downloadable reference materials and handouts for ongoing guidance
- Workday learning and on-demand courses can be found on the OGEC's website

Note that under these rule changes, the record-keeping responsibility and liability for non-compliance rests on the individual Board member, not LRAPA as an organization.

Public Notice Framework

The rules establish a framework for public notices that builds upon existing requirements. All notices are required to be posted on LRAPA's website or a linked third-party site. The notice content must now include electronic access information and contact details for interpreter or communication aid requests. The rules maintain different notice periods based on meeting type: 48 hours for regular meetings, 24 hours for special meetings, and as much notice as possible for emergency meetings.

LRAPA is already meeting these requirements, and no change is needed to current practices.

Employment-Related Sessions

New requirements govern how the Agency can handle employment-related executive sessions. The rules now require public bodies to advertise vacancies and adopt regular hiring procedures before considering employment matters in executive session. For public officer positions, the Board must provide an opportunity for public comment. Additionally, the Executive Director hiring processes must include the adoption of hiring standards in an open meeting before executive session discussions can occur.

Public Access and Grievance Process

The rules establish new standards for public access to meetings and formalize the grievance process for alleged violations. Public bodies such as LRAPA must provide real-time access to meetings through telephone, video, or other electronic means when reasonably possible. LRAPA is already meeting these requirements, and no change is needed to current practices.

The grievance process also includes specific timelines: a 30-day window for filing after an alleged violation and a 21-day requirement for agency response. Both the grievance and Agency response must be submitted to the Ethics Commission

STAFF RECOMMENDATION

This report is provided as an informational update to make the Board aware of the new OGEC administrative rules. Board members should note their individual responsibilities under the new rules, particularly regarding:

- 1. Training requirements that must be completed once per term of office
- 2. Individual responsibility to maintain records of completed training
- 3. Individual liability for non-compliance with Public Meetings Law requirements

Subject: Discussion of FY26 Partner Dues Growth Rate Methodology

STAFF REPORT

ISSUE STATEMENT

The City of Springfield has proposed establishing a consistent methodology for annual partner dues increases based on their historical property tax revenue growth rate of 3.3%. This approach offers an opportunity to create a standardized, predictable framework for partner dues increases that could be adopted across all jurisdictions for FY26 and beyond.

BACKGROUND INFORMATION

Historically, LRAPA's partner dues adjustments have lacked a standardized growth methodology, leading to varying approaches and occasional confusion about base year calculations. The City of Springfield has initiated a discussion about establishing a more systematic approach by linking dues increases to historical property tax revenue growth rate.

This rate is grounded in Oregon's voter-approved property tax system, specifically Measure 5 (in 1990) and Measure 50 (in 1997), which create a predictable framework for property tax increases. While Measure 50 caps annual assessed value growth at 3%, additional revenue from new construction and improvements results in Springfield's actual historical average growth rate of 3.3%.

LRAPA currently collects \$202,351 in annual partner dues:

- City of Eugene: \$92,000

- City of Springfield: \$32,551

- City of Cottage Grove: \$5,900

- City of Oakridge: \$1,700

- Lane County: \$70,200

LRAPA's IGA between partners outlines specific requirements and timelines for the dues process:

- By March 1: Board estimates total operational funding needs
- By April 15: Board notifies partners of estimated budget and apportionment
- By June 30: Board adopts approved budget for the following fiscal year
- July 15 and December 15: Semi-annual payments due (unless alternative schedule arranged)

GOING FORWARD

Springfield has committed to using this 3.3% growth rate following their FY26 partner dues and committed to increasing their contribution to \$34,812. This approach offers several advantages that could benefit all partner jurisdictions:

- 1. **Predictability:** A standardized growth rate allows all partners to better forecast and budget for future dues.
- 2. **Timing Alignment:** Early adoption would allow all partners to incorporate the new methodology into their FY26 budget planning cycles.
- 3. **Transparency:** The rate is based on established, voter-approved property tax limitations and actual historical growth patterns.
- 4. **Sustainability:** Regular, modest increases help maintain service levels while avoiding larger, unexpected adjustments.
- 5. **Alignment:** The methodology connects LRAPA funding to the underlying growth in local government revenue capacity.

If the Board supports this approach, staff will engage with other partner jurisdictions to discuss implementing this methodology consistently across all partner dues calculations. Currently, the Board is anticipated to approve FY'26 Partner dues in January 2025.

STAFF RECOMMENDATION

This report is provided as an informational update. Staff recommends that the Board:

- Consider endorsing the 3.3% annual growth rate methodology as a standardized approach for calculating partner dues increases.
- Direct staff to engage with partner jurisdictions to discuss implementation for FY26, with particular attention to:
 - o Partner budget cycle alignment
 - Base rate considerations
 - o Implementation timeline to meet the April 15th notification deadline

From: Lance Giles, Technical Services Manager

Date: November 14, 2024

Subject: Office Remodel Project Progress Update

STAFF REPORT

ISSUE STATEMENT

This staff report provides an update on the progress of LRAPA's office remodel project, which was approved by the Board in July 2024, including recent change orders and their financial implications.

BACKGROUND INFORMATION

On July 11, 2024, the Board approved Resolution 24-05, accepting the bid from Proper Built Inc. in the amount of \$1,099,000.00 for the LRAPA office remodel project. This project aims to improve LRAPA's workspace and service capabilities.

PROGRESS UPDATE

Progress to share and review since the October update:

1. Project Timeline:

- o Documented completion date adjusted to February 24, 2025, from February 14, 2025, due to additional workdays from change orders.
- o The actual completion date is still on track for February 14, 2025.
- o Electrical rough-in and HVAC installations progressing as planned
- o Sheetrock installation is set to begin the week of November 11.

2. Completed Phases:

- o Demolition work is 100% complete.
- o Framing is complete.
- o Mechanical demolition is 100% complete.
- o Concrete work completed.
- o Floor underlayment installation is complete.
- o Plumbing rough-in inspection passed.
- o HVAC rough-in is substantially complete.
- o Ceiling fans have been installed (for air mixing, not cooling).
- o Three new 2-stage heat pump units are in place for the main office.

3. Ongoing Work:

- o Change Orders Processed (CO2)
 - CR-15: HVAC Filter Rack Addition (\$1,181.88)
 - CR-16: Electrical Value Engineering Phase 1 (-\$14,825.80)
 - CR-17: Floor Underlayment (\$13,971.00)
 - CR-18: Electrical Value Engineering Phase 2 (-\$13,858.11)
 - CR-19: Entry Door Modifications (\$11,570.36)
- o Additional value engineering has identified approximately \$28,683 in savings through electrical system modifications.
- o Project tracking at +0.2% of budget.

CHALLENGES AND CHANGES

While no major unexpected issues have arisen, the change orders reflect normal adjustments typical in renovation projects. The project team continues to address these changes efficiently, minimizing their impact on the overall timeline and budget.

FINANCIAL IMPACT

The project began with an original contract sum of \$1,099,000.00. Through the course of construction, various change orders have resulted in a net increase of \$2,155.96 (0.2% increase), bringing the current contract sum to \$1,101,155.96. To date, \$345,948.65 worth of work has been completed and approved for payment, representing 31.4% of the total project scope.

NEXT STEPS

- 1. Complete electrical and mechanical rough-in work.
- 2. Obtain necessary inspections.
- 3. Begin sheetrock installation.
- 4. Continue ductwork installation and painting.
- 5. Proceed with new entry door modifications.

STAFF RECOMMENDATION

This is an informational item, and no formal motion is required. Staff recommends that the Board review this progress update and provide any feedback or guidance as necessary. We will continue to keep the Board informed of any significant developments or changes to the project timeline or budget.

NEW/OPEN ENFORCEMENT ACTIONS STATUS DETAIL REPORT

10/1/2024 -- 10/31/2024
Report of open and actions initiated since last report

NEW ENFORCEMENT ACTIONS: 10/01/2024 -- 10/31/2024

- 1. T.J. ROBBINS (FALL CREEK)
 - A. Violation: Allowed for the outdoor burning of prohibited materials (machine parts, aerosol can, metal wire, canned food containers, etc.).
 - B. Initial Action Taken: NON #3907 issued 09/06/2024
 - C. Subsequent Action: NCP #2024-3907 (\$275) issued 09/06/2024: no response and no payment received; a default order judgment is in process for a lien on the property
 - D. Resolution: PENDING

2. DUST 2 DIAMONDS, LLC (SPRINGFIELD)

- A. Violation: Performed an asbestos abatement project without possessing a license to perform asbestos abatement; openly accumulated friable asbestos-containing materials.
- B. Initial Action Taken: NON #3908 issued 09/06/2024
- C. Subsequent Action: NCP #2024-3908 (\$8400) issued 09/06/2024: request for reduction under review.
- D. Resolution: PENDING

3. A & K DEVELOPMENT CO, PAC METAL FAB (JUNCTION CITY)

- A. Violation: Failed to notify LRAPA prior to the construction of a new stationary source in accordance with LRAPA Rules and Regulations Section 34-010(1)(a); operating an air contaminant source which is listed in Section 37-8010 Table 1 without first obtaining and ACDP from LRAPA in accordance with LRAPA 37-0020(3).
- B. Initial Action Taken: NON #3903 issued 05/30/2024
- Subsequent Action: PENDING documents submitted by 9/20/2024 under review
- D. Resolution: PENDING

4. PETROCARD INC (GOSHEN) (GOSHEN)

- A. Violation: The permittee failed to submit in a timely manner performance testing records to LRAPA which demonstrate compliance with vapor testing requirements outlined in permit conditions 5.1.a and 5.1.b. On 2/25/2022 the permittee was notified by LRAPA that they had exceeded the annual throughput threshold of 480,000 gallons of gasoline in 2019 and were therefore subject to the vapor recovery testing requirements outlined in the permit. On 4/8/2022 LRAPA was advised that vapor recovery testing could not be completed since the lines were manifolded and the issue was escalated to construction to isolate the lines. On 7/7/2022 LRAPA called and emailed the permittee requesting an update. On 8/2/2022 LRAPA called and emailed the permittee responded advising that they were still working to fix the issue. On 10/5/2022 LRAPA emailed the permittee requesting an update. On 10/26/2022 LRAPA called and emailed the permittee requesting an update.
- B. Initial Action Taken: NON #3872 issued 11/03/2022
- C. Subsequent Action: NCP #2022-3872 (\$3000) issued 12/08/2022: submitted the test results over 12-month late, therefore the request for reduction was not approved. No response to payment has been received, a default order judgment is in process for a lien on the property.
- D. Resolution: PENDING

5. JOHN A. RANKIN AND STEVE FOWLKES (SPRINGFIELD)

Violation: 43-015(10)- ASBESTOS ABATEMENT NOTIFICATION REQUIREMENTS. Except as provided for in 43-015-8, written notification of any asbestos abatement project must be provided to the Agency on a form prepared by and available from the Agency, accompanied by the appropriate fee; 43-015(11)(C)- Enclose the area of the asbestos-containing materials to be abated, in a negative pressure enclosure prior to abatement unless prior approval has been granted by the agency; 43-015(11)(G)- The asbestos abatement project area shall be adequately cleaned at the conclusion of the project to assure removal of all asbestos debris; 43-015(11)(N)-Open storage or open accumulation of friable asbestos-containing material or asbestos containing waste material is prohibited; 43-015(11)(P)- No person shall conduct an asbestos abatement project unless they possess a current asbestos abatement Contractors license or worker's certification, issued by the Department under OAR 340-248-040 or OAR 340-248-0120 and OAR 340-248-0130, respectively, unless exempted by 43-015-8 and/or 43-015-9; 43-015(11)(S)- A certified supervisor is required to be present on each asbestos abatement project other than a small-scale short-duration activity; 43-015(11)(T)- An owner or operator of a facility shall not allow any persons other than those employees of the facility owner or operator who are appropriately certified or a licensed asbestos abatement contractor to perform an asbestos abatement project in or on that facility unless exempted by 43-015-8 or 43-015-9; 43-015-19(B)-Persons disposing of asbestos-containing waste material must notify the landfill operator of the

type and volume of the asbestos-containing waste material; 43-015(19)(B)(1)- All asbestos-containing waste materials must be adequately wetted to ensure that they remain wet until delivered to an authorized landfill, and either: (a) processed into non-friable pellets or other shapes; or (b) packaged in leak-tight containers such as two plastic bags with a minimum thickness of 6 mil., or fiber or metal drum. Containers must be labeled as follows: (i) the name of the asbestos waste generator and the location where the asbestos waste was generated; and (ii) a warning label that states: DANGER Contains Asbestos Fibers Avoid Creating Dust Cancer and Lung Disease Hazard Avoid Breathing Airborne Asbestos Fibers Alternatively, warning labels specified by 29 CFR 1926.1101(k)(7)(8/19/94) may be used; 43-105(19)(E)- All asbestos-containing waste material must be deposited as soon as possible by the waste generator at: (1) An asbestos-containing waste disposal site authorized by the Department and operated in accordance with the provisions of this rule;

- B. Initial Action Taken: NON #3877 issued 03/06/2023
- C. Subsequent Action: NCP #2023-3877 (\$10400) issued 03/06/2023: request for reduction approved and reduced to \$5,200 on 04/19/2023 with a payment schedule of \$400 per month and is on schedule with payments with a balance of \$400.
- D. Resolution: PENDING

6. KYLE MCLENNAN, BRUCE R MCLENNAN (VENETA)

- A. Violation: Failure to obtain an asbestos survey from an accredited asbestos inspector prior to conducting the demolition of a facility; Burning construction/demolition waste without first obtaining an LRAPA letter permit.
- B. Initial Action Taken: NON #3880 issued 04/11/2023
- C. Subsequent Action: NCP #2023-3880 (\$3,650) issued 04/11/2023; no response and no payment received; a default order judgment is in process for a lien on the property
- D. Resolution: PENDING

7. APRO LLC DBA UNITED PACIFIC ROCKET # (SPRINGFIELD)

- A. Violation: The permittee failed to submit performance testing records to LRAPA which demonstrate compliance with triennial vapor testing requirements outlined in permit conditions 5.0. Permittee last submitted testing results relative to conditions 5.1.a and 5.1.b on February 4th, 2020, and therefore is required to have testing conducted by February 4th, 2023. Condition 7.1.c of the permit requires notification of upcoming testing be submitted to LRAPA and condition 7.2 requires test results be submitted to LRAPA no later than 30 after testing has occurred.
- B. Initial Action Taken: NON #3886 issued 04/25/2023
- C. Subsequent Action: NCP #2023-3886 (\$2,250) issued 06/12/2023: no response and no payment received; a default order judgment is in process for a lien on the property
- D. Resolution: PENDING

8. SEALS, MARK (ELMIRA)

- A. Violation: Outdoor burning of prohibited materials (metal, plastic, rubber, etc.).
- B. Initial Action Taken: NON #3888 issued 06/13/2023
- C. Subsequent Action: NCP #2023-3888 (\$550) issued 07/31/2023: no response and no payment received; a default order judgment is in process for a lien on the property
- D. Resolution: PENDING

- 9. CARTER, LARRY; VERNON VENSON (SPRINGFIELD)
 - A. Violation: Allowing for the open burning of prohibited materials (pressure treated wood, railroad ties, plastics, clothing, drywall, metal, etc.)
 - B. Initial Action Taken: NON #3895 issued 12/14/2023
 - C. Subsequent Action: NCP #2023-3895 (\$550) issued 12/18/2023; no response and no payment received; a default order judgment is in process for a lien on the property
 - D. Resolution: PENDING
- 10. WOOLMAN, TIM (VENETA)
 - A. Violation: Allowing for the burning of prohibited materials (plastics).
 - B. Initial Action Taken: NON #3898 issued 03/01/2024
 - C. Subsequent Action: NCP #2024-3898 (\$850) issued 03/07/2024; no response and no payment received; a default order judgment is in process for a lien on the property
 - D. Resolution: PENDING

11. EMERALD PEOPLE'S UTILITY DISTRICT (EUGENE)

- A. Violation: Submitted a partial 2023 annual report a 12-month rolling PSEL calculation spreadsheet which demonstrated that the facility emissions for PM2.5, CO and NOx were in excess of the permitted emission limits during the 12-month periods ending in September December 2023 and in 2024.
- B. Initial Action Taken: NON #3902 issued 06/06/2024
- C. Subsequent Action: PENDING reviewing additional documents submitted.
- D. Resolution: PENDING

12. AURORA INNOVATIONS / HYDROFARM (EUGENE)

- A. Violation: Failure to submit 2023 semi-annual report required by Condition #28 in their ACDP #200053. The 2023 semi-annual report was due February 15, 2024; failure to submit their 2023 ATEI report by July 1, 2024.
- B. Initial Action Taken: NON #3910 issued 07/31/2024
- C. Subsequent Action: Submitted reports are under review
- D. Resolution: PENDING

OUTDOOR BURNING LETTER PERMITS: 10/01/2024 TO 10/31/2024

There was no Outdoor Burning Letter Permit (OBLP) issued in October 2024.

ASBESTOS ABATEMENT: 10/01/2024 to 10/31/2024

For perspective, here is how the total number of asbestos abatement notices filed, how many were schools and the number of notices inspected for calendar year 2024 compares to previous years:

Calendar year 2024 compares to previous years:

PUBLC EVENTS AND OUTREACH

Presentation to Eugene Rotary (10/3 at Eugene Mission)

Matt Sorensen and Travis Knudsen provided Eugene Rotary a presentation covering the basics of LRAPA's scope of work and focused on wildfire and smoke impacts on our region. The meeting was well attended and there was a great deal of discussion during the Q&A section.

USD Clean Fuels- Beyond Toxic & ABC Bethel Community Meeting (10/7 at Bethel Community Church) Matt Sorensen and Permit Writer Beth Erikson attended this meeting to listen to the concerns of the residents in the area impacted by the proposed USD Clena Fuels transload site. There was nearly 80 people in attendance including Eugene Mayor Vinnis, Eugene Councilwoman Leech, Eugene Councilman Evans, as well as Register Guard, KEZI, and LCC Radio. The purpose of the meeting was educating attendees on the site, followed by discussing options to prevent the project advancing. Many in attendance wanted to know why the city ok'd the land use. It was decided that Beyond Toxics would challenge the City of Eugene's approval for the land use and

also mentioned potentially getting community members to attend a public hearing on the site, if LRAPA was to hold one, to try and stop the project getting a permit.

Executive Director Visits w/ Elected Officials (10/17 to 11/1)

Travis Knudsen along with Matt Sorensen met with the following elected officials in-person (except for one):

- 10/17- Lane County Commissioner Ryan Ceniga
- 10/18- Lane County Commissioner Pat Farr
- 10/23- Representative Julie Fahey (virtual)
- 10/24- Lane County Commissioner Heather Buch
- 10/28- Lane County Commissioner Laurie Trieger
- 11/1- Senator James Manning
- 11/1- Rep. John Lively
- 11/1- Rep. Nancy Nathanson

At each meeting Travis shared LRAPA's role in Lane County and then dialogued with each official based on their interest. Each official was reminded that LRAPA is ready to provide answers and support to them and their constituents as the need arises. Actions resulting from meetings included, LRAPA helping Commissioner Ceniga by contacting ODF to inquire about ending the fire season before 11/1 to allow for outdoor burning in Lane County. LRAPA also provided a letter of support to Rep. Nathanson for a grant application she is working on to get funds for a layover facility for locomotives in Eugene.

City of Cottage Grove Partnership Development (10/23)

Matt Sorensen visited with Cottage Grove City Manager, Mike Sauerwein, and other city leadership to discuss avenues to assist Cottage Grove and its citizens. Matt also left materials on outdoor burning and business cards that direct people to contact LRAPA for our many services.

USD Clean Fuels- City of Eugene Recalls Land Use Approval (10/25)

Due to advocacy by Beyond Toxic and the large turnout to their meeting, the City of Eugene recalled the LUCS for the USD Clean Fuels site and has up to 3 months to reconsider their decision.

Lane County's Community Wildfire Protection Plan CWPP (10/29)

Matt Sorensen attended the first meeting for Lane County's development of a new Community Wildfire Protection Plan. The county wide scope of the project includes updating evacuation plans, updating the Wildfire Urban Interface (WUI) plan, adjusting building plans in the WUI, and considering the Environmental and Public Health Impacts of wildfires. LRAPA has agreed to join the committee working on the Environmental and Public Health Impacts.

AGENCY GOALS AND UPDATES

In January 2022, the Board established the following goals to drive LRAPA's efforts in protecting public health, community well-being, and the environment. Below is an overview of each goal, accompanied by recent updates and milestones, with specific focus on activities in September 2024.

1. Oakridge/Westfir Air Quality Improvement

Objective: Seek EPA approval to improve air quality in Oakridge/Westfir.

- Following the redesignation of Oakridge in September 2022, LRAPA continues to implement two targeted airshed grants in the area to further improve progress.

- LRAPA is implementing the EJG2G grant expanding the Oakridge Air program to include wildfire mitigation efforts.
 - LRAPA has executed subaward agreements under this grant with South Willamette Solutions (SWS), and Lane County Public Health (LCPH).
 - LRAPA has prepared a RFP for contracted work under the grant, currently SWS is reviewing the Request for Proposal (RFP) for suggested changes before LRAPA will move forward with the publishing RFP.
 - The Oregon Health Authority and LPCH are working to secure datasets for the health and morbidity study under this grant agreement.

2. Internal Efficiency Enhancement

Objective: Streamline internal processes and policies for improved efficiency.

- LRAPA has fully established its operations at the Lane County Public Service Building.
 Staff are splitting time between working from home and working at the Lane County Public Service Building.
- LRAPA's Administrative Manager has been hired who will bring a helpful skillset of business management and workflow organization to improve internal functions across the agency which will help LRAPA better service the community.
 - Rachelle Nicolas was hired for this role and brings experience in regulatory compliance and enforcement from her 18-year tenure with the City of Eugene, where she notably established the City's rental housing code program from the ground up and served as Inspection Services Manager overseeing building inspections, code compliance, and business licensing programs. Her background in code enforcement and regulatory oversight, combined with her proven track record in managing diverse teams and implementing new programs, provides her with a strong foundation for understanding the complexities of environmental regulations and the importance of consistent, fair enforcement practices that will serve LRAPA's mission well.

3. Pre-Budget Planning

Objective: Plan ahead for budget committee meetings to ensure financial stability.

- LRAPA is engaged in the Audit of FY'24. Auditors have been onsite since the first week of November and the Audit is fully underway.
- The FY24 audit timeline has been extended from December 31, 2024, to March 31, 2025, with approval from the Oregon Secretary of State. This extension was necessary due to several compounding factors: the implementation of a new accounting system during FY24, turnover in executive and finance leadership, and the temporary relocation of administrative offices in early FY25. Reconciliation challenges between the old and new systems have been particularly significant, especially given the departure of key personnel who led the system implementation.
- These combined circumstances have impacted our standard audit preparation process.

4. Financial Stability Assessment

Objective: Evaluate LRAPA's costs and explore funding sources for long-term stability.

- LRAPA's budget forecast and assumptions indicate the agency's finances are stable.
- Annual invoicing of fees to LRAPA's permitted sources was successful on October 1. Fees are due December 1.

5. Website Redesign

Objective: Improve LRAPA's website for better user access to air quality information.

- The website continues to be updated to accurately reflect current operations at the Organization, such as updates to the staff directory to reflect new hires.
- Facility Specific Cleaner Air Oregon webpages are in progress of being updated for existing sources and created for new sources.

6. Community Engagement

Objective: Increase interaction with communities to raise air quality awareness.

- LRAPA continues to engage collaboratively with various stakeholders and agencies on soil remediation activities concerning J.H. Baxter in West Eugene.
- LRAPA is collaborating with the Pacific Northwest International Section of the Air & Waste Management Association to plan the 2024 PNWIS conference at the Graduate Hotel in Eugene this November, enhancing industry relationships.

7. Collaboration and Partnerships

Objective: Strengthen relationships with local communities and industry for problem-solving.

- LRAPA participated in several regional collaborative groups and committee meetings in September. These included Lane Regional Climate Collaborative, Oakridge Area Fire Safe Council, and Lane County Healthy Housing Collaborative.

8. Funding Source Diversification

Objective: Seek new funding opportunities to support air quality programs.

 LRAPA has been informed by DEQ that its prospects for increased budget support are constrained due to a lower prioritization of climate and environment in the governor's budget. Consequently, LRAPA's ability to secure enhanced funding through DEQ is significantly limited.

9. Airmetrics Enterprise Evaluation

Objective: Objective: Assess the effectiveness of Airmetrics in monitoring air quality.

Following the board's decision in late 2023, Airmetrics has ceased all operations. LRAPA provided a 30-day notice to terminate the lease on the Airmetrics warehouse space, which concludes on July 24, 2024. LRAPA has fully vacated the space and removed all references to Airmetrics from its website in early June 2024.

10. Complaint Intake Process Improvement

Objective: Enhance the process for receiving and responding to air quality complaints.

- LRAPA has revised the internal complaint entry user interface in LINFO to streamline the process for staff to enter complaints and investigation results in early 2024. With

multiple new staff joining the organization, LRAPA is convening training on complaint intake processes to maintain effectiveness and productivity.

11. Regulatory Engagement

Objective: Stay updated on air quality regulations through engagement with relevant organizations.

- LRAPA staff engaged with the Board to discuss the annual fee increases for Air Contaminant Discharge Permit (ACDP) and Asbestos Notification fees. The Board was provided with detailed information on the fee structure, the essential work supported by these fees, and considerations for potential adjustments.
- LRAPA successfully implemented the annual 4% fee increases for ACDP and Asbestos
 Notification fees, as well as a 3% increase for Cleaner Air Oregon (CAO) fees, effective
 July 1, 2024, ensuring the agency's ability to continue its critical air quality work and
 adapt to emerging challenges.
- LRAPA is implementing a state-mandated fee increase for Gasoline Dispensing Facilities, raising the annual fee from \$201 to \$605 and the Cleaner Air Oregon annual fee from \$52 to \$156, effective in 2025, to support more stringent air quality regulations. This fee adjustment reflects the reclassification of Gasoline Dispensing Facilities from ACDP Fee Class 5 to Fee Class 4 by the Oregon Department of Environmental Quality, necessitating additional regulatory oversight and work to further reduce air pollution from gasoline vapors.

12. Succession Planning and Staff Training

Objective: Prepare for staff transitions through succession planning and training.

Following a Permit Writer's departure in October, LRAPA is strategically evaluating this
vacant position before recruitment. The organization is considering restructuring the
role to potentially include smoke management responsibilities and technical services
support. This approach would both address operational needs and create succession
planning opportunities through enhanced understanding of the position's duties.

TENTATIVE UPCOMING LRAPA BOARD AGENDA ITEMS

This schedule outline is a preview of anticipated upcoming agenda items.

December 2024 - No Meeting

January 2025

- Approve FY 26 Partner Dues
- Review upcoming appointments on Board and Committees
- Oakridge Air Status Report
- Handbook Update
- Board Goals Work Session
- Remodel Update

February 2025

- Nominations/Appoint Board Chair and Vice-Chair
- Nominations/Appoint new Budget Committee Members and Budget Officer
- Budget Forecast
- Remodel Update

March 2025

- First Budget meeting proposed budget FY 25-26
- Board Review of annual fee increases set by rule
- Remodel Update

April 2025

Second Budget meeting proposed budget FY 25-26, approve budget

May 2025

Public Hearing and adoption of approved budget for FY 25-26
