The Lane Regional Air Protection Agency invites the public to submit written comments on the conditions of the proposed air quality permit, known officially as an Indirect Source Construction Permit (ACDP), for E-Commerce Facility ("E-Commerce" or "facility").

Summary

LRAPA received an Indirect Source Construction Permit (ISCP) application for E-Commerce located at 2111 Prairie Road, Eugene, Oregon on May 1, 2025. An ISCP does not contain an expiration date.

About the facility

E-Commerce Facility is a proposed new warehouse and office with 370 new parking spaces proposed to be installed.

What happens after the public comment period ends?

After the public comment period ends, LRAPA will consider and respond to all relevant comments received during the public comment period and may modify the proposed permit based on comments.

If a facility meets all legal requirements, LRAPA will issue the facility a final ISCP.
