3. Site Contact Person	**4. Standard Industrial Classification Code(s)**
Name:	Primary:
Title:	Secondary:
Telephone number:	**5. Other LRAPA Permits**
Fax. number:	
e-mail address:	

6. Surface coating permit or registration:

- Surface coating of metal and/or plastic parts or products or mobile equipment (but not motor vehicles): Choose the general permit if your facility spray applies surface coatings that contain toxic metals (compounds of chromium, lead, manganese, nickel, or cadmium) to metal and/or plastic parts or products or mobile equipment.
- Surface coating of motor vehicles: Choose either the Basic, General permit or Registration if your facility spray applies surface coatings that contain toxic metals (compounds of chromium, lead, manganese, nickel, or cadmium) to motor vehicles.
- If your facility spray applies surface coatings that contain toxic metals (compounds of chromium, lead, manganese, nickel, or cadmium) to motor vehicles **and** metal and/or plastic part or products or mobile equipment, choose the general permit.
- Complete and submit this form (AQ-127) along with a Surface Coating form (AQ-211)

6a. Basic Air Contaminant Discharge Permit:

☐	Basic permit - spray coating of motor vehicles, mobile equipment, or metal and/or plastic parts or products (Basic): Motor Vehicle and Mobile Equipment Surface Coating Operations subject to an Area Source NESHAP and using LESS than 20 gallons of coating per year
If you qualified and selected the Basic permit, proceed to section 7. If you want to opt-in to the registration program instead of getting a permit, proceed to section 6c.	

6b. General Air Contaminant Discharge Permit:

☐	General permit - spray coating of motor vehicles, mobile equipment, or metal and/or plastic parts or products (AQGP-027): Motor Vehicle and Mobile Equipment Surface Coating Operations subject to an Area Source NESHAP using more than 20 gallons of coating per year
If you selected the General permit, proceed to section 7. If you want to opt-in to the registration program instead of getting a permit, proceed to section 6.c.	

6c. Registration:

☐	Registration - ECOBIZ certified motor vehicle surface coating operations: motor vehicle surface coating operations registered pursuant to LRAPA 34-025-2. See the following website for information on how to become certified: https://www.lanep2c.org/become-an-ecobiz
If you selected registration, proceed to section 7 and submit proof of your ECOBIZ certification with your application.	

6d. General ACDP Attachment:

☐ Yes ☐ No	Are you currently assigned to a General Air Contaminant Discharge Permit for other non-surface coating activities at your facility? If so, you may be assigned an attachment to your existing General Permit. Please enter your existing six-digit source number here:_____

7. Signature

I hereby apply for permission to discharge air contaminants in the Lane County, Oregon, as stated or described in this application, and certify that the information contained in this application and the schedules and exhibits appended hereto, are true and correct to the best of my knowledge and belief.
