What is Sikkim Game?

Sikkim Game is an online gaming platform that combines the excitement of colour prediction, lottery, and casino-style games with the convenience of mobile-first design. The platform is designed for Indian players, offering **secure UPI withdrawals, fast registration, and real-time gameplay**.

The flagship mode is the **colour prediction game**, where players predict the next colour (Red, Green, or Violet) in timed 1-3 minute rounds. Place ₹100 on Red or Green to win ₹198 (2x return), or bet on Violet for a massive ₹900 (9x return).

Games Available on Sikkim Game

Colour Prediction – Predict Red, Green, or Violet. Payouts up to 9x!

Wingo – Fast-paced lottery-style game with instant rewards.

K3 & 5D Lotre – Choose numbers and win big.

Chicken Road – Thrilling game with real cash prizes.

✈ **Aviator** – Exciting crash game with huge multipliers.

Slots & Jili – Spin and win with exciting themes.
